

About Us

Calvary Chapel is a fellowship of believers in the Lordship of Jesus Christ. Our greatest desire is to know Christ and be conformed to His image by the power of the Holy Spirit.

We are not a denominational church, nor are we opposed to denominations as such. We are opposed only to the emphasis of non-biblical teachings that divide the Body of Christ.

- *We believe* that the true basis of Christian fellowship is God's love, which is greater than our differences. Without His love, we have no right to say we are Christians.
- *We believe* worship of God should be spiritual. Therefore, we remain flexible so that the Holy Spirit may direct our worship.
- *We believe* worship of God should be intelligent. Therefore, in our services, we emphasize Bible teaching so that God may instruct us how He would be worshipped.
- *We believe* worship of God should be inspirational. Therefore, we give a great place to music in our worship.
- *We believe* worship of God should be fruitful. Therefore, we look for His love in our lives as the greatest evidence that we are truly worshipping Him.

Scripture Meditation of the Week

Luke 21:36

"Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man."

Being ready at all times is a call to action directly from our Lord. Throughout our study of Malachi we have focused on the dangers of complacency when it comes to our relationship with God. When we don't put in our entire heart, we can expect significantly less in return.

We often have a tendency to have a partial relationship with Him when it is convenient for us to work him in around the challenges and responsibility of our daily lives. In calling us to be ready, God is calling us to have a constant relationship with him that is focused on growing closer together.

If it is the desire of our heart to truly "Be Ready" for the glorious day that our Lord returns, then it will be on our hearts to serve our Lord with all that we are, knowing that he can come at any moment. In doing so, we will then be able to reap his promise that he will bless us beyond what we will even be able to receive.

Please clip and include in your prayers
